There has always
been more to **KMS**
than just selling
mechanical *and*
electronic flat knitting
machines!

- EXPERIENCE** — Factory trained technical specialists for Links/Links and V-Bed machines.
- DEPENDABILITY** — Expert pattern preparation for pasteboard control cards and computer tapes.
- ACCURACY** — Jacquard card punching for Links/Links and V-Bed machines.
- RELIABILITY** — Spare Parts, Needles, Push Jacks and Sinkers.
- PROPRIETY** — **KMS** a trusted name since 1940.
